MNORFF does not sell names, addresses or emails to anyone.

Graduate Credit

Graduate credit from the University of St. Thomas is available to those attending the workshops. One semester credit (1.5 quarter credits) is granted upon successful completion of a short essay for each of three sessions you attend during the 2007–2008 school year. Tuition for credit will be available at the first workshop and is in addition to the workshop fee. Registration forms can be picked up at the workshop.

For information on summer courses and Master Degree programs in music education from the University of St. Thomas, contact:
